DSCR Interim Guidance for Processing and Evaluating Offers of Government Surplus Material

- **Former Government Owned Material**
- **Conditions for Evaluation of Offers of Surplus Material**
  - **$200 for local evaluation, $700 if the evaluation must be coordinated with an engineering support activity**
  - **Testing costs are also factored into the evaluation criteria**
  - **Special circumstances (urgency, obsolescence, etc) may warrant waiver of cost savings criteria**

DSCR Surplus Policy

DSCRichmond ...THE BEST IN WEAPON SYSTEMS SUPPORT

- **Due to their critical nature, surplus offers for Flight Safety Critical Application Program (FSCAP), Life Limited, and Individual Repair Parts Ordering Data (IRPOD) items, shall only be evaluated to accommodate unique contingencies, such as when the original equipment manufacturer is out of business, or the sole source does not respond.**
- **Coordination with the Engineering Support Activity in the evaluation process is mandatory for these items.**
